Family Physician _____ Phone# _____

LIABILITY WAIVER

I give the Lander Junior Football Association volunteers my permission to administer emergency first aid and/or seek medical attention for my child. I fully understand that football is a physical contact sport which can and has caused injuries, some serious. I hereby release and hold harmless the Lander Junior Football Association's officers, coaches, and umpires from any liability for injuries sustained, loss of sight, limb or death occurring as a result of practice or game in which my child has elected to participate in; and with my signature I hereby consent to my child's participation.

Parent/Guardian _____ Date _____

LEAGUE STATEMENT

It is the belief of this league that the success of your child and the football program, as a whole, rests with the parents. The goal of the Lander Junior Football League is to educate kids on the fundamentals and basics of the sport of football. To include: good sportsmanship, camaraderie and most important self discipline and respect. The League can not do this alone. In the years that we have had a large number of supportive parents, the program has flourished, and the kids have done well at the higher levels.

Please keep in mind that the league is run entirely by volunteer help. Each additional parent that steps forward, finding that additional time becomes less of a burden for everyone helping. We have only a few areas that need help with one night per week and ask that you may be able to help with, even if it would be for one week only:

*Game Official _____ * Concessions Stand _____ * Scorekeeper _____ * Chain Crew _____

REGISTRATION FEE: \$40.00 (please make checks payable to Lander Junior Football League)

UNIFORMS: With the exception of a mouthpiece and shoes, a jersey, helmet, pants, and pads will be furnished to your child. As the parent/guardian, you are accepting responsibility to return these items to the league at the end of the season. If you fail to do so, we have no choice but to hold you responsible for the \$375.00 cost to replace the equipment.

Practice: Will begin sometime during the week of Aug 27th. You will be contacted by a volunteer.
