

Hiring a Contractor

Hiring a contractor should be done by asking the contractor for references and then calling to see if the references were happy with the work they performed. The City of Lander also requires licenses for contractors so we can better protect your choice and assure they are bonded or insured. A call to the City of Lander can tell you if the contractor is licensed and bonded.

ICC Testing Information

Click [here](#) for information on International Code Council (ICC) testing. This document answers most questions raised by ICC examination candidates. Please read it carefully. You will find it a useful reference throughout your registration and examination process. ICC's vision is creating safe, affordable, and sustainable buildings and communities.
