

Public Notice: End of Special Winter Water Allowances and Return to Regular Billing

News Release Date

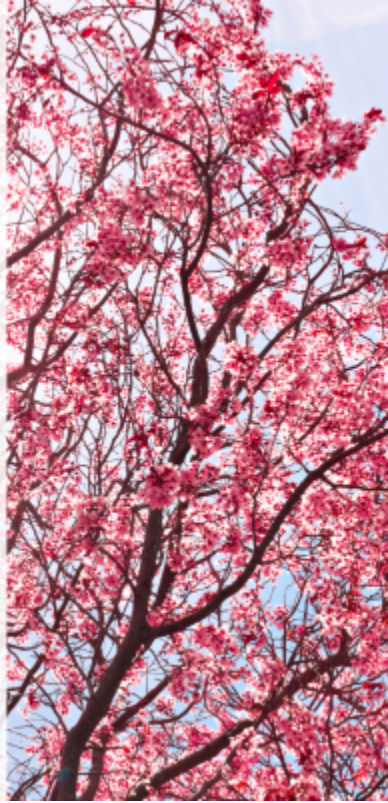

04-02-2024

PUBLIC NOTICE

The special winter water allowances that encouraged residents to run water will end on April 22.

Beginning on April 23 with the new water and sewer billing cycle, the City of Lander is returning to the regular 4,000 gallon base rate for residential customers with a 5/8" meter.

If you have any questions, please contact City Hall at 332-2870.

We are informing City of Lander residents that the special winter water allowances, aimed at preventing frozen pipes by encouraging water running, will conclude on April 22. As of today, residents may discontinue running water as the frost level has reached a depth where pipes should no longer be affected.

Beginning on April 23, coinciding with the new water and sewer billing cycle, the City of Lander will revert to the standard 4,000 gallon base rate for residential customers with a 5/8" meter.

For any inquiries or clarifications, please feel free to reach out to City Hall at 332-2870.
