## Public Meeting – Lander Water Master Plan

The City of Lander, Wyoming Water Development Office, and HDR Engineering will hold a public meeting on Tuesday, March 21, 2023 to present a draft of the Lander Water Master Plan. The public meeting will take place at Lander City Hall in the Council Chambers, 240 Lincoln Street, beginning at 6 p.m.

The meeting will begin with presentation, and the remainder of the time is reserved for one-on-one and small group conversations. The project team will be collecting questions, comments, and contact information from meeting attendees.

The Draft Plan will be available for review at Lander City Hall from Feb. 27 – March 31, 2023.
